Our Process

Phase 1: Audit & Strategy

We analyze your current presence, competitors, and audience to develop a custom social media strategy aligned with your business goals.

Phase 2: Content Planning

Create a monthly content calendar with themes, post types, and optimal posting schedules for each platform.

Phase 3: Creation & Scheduling

Our AI-assisted team creates engaging content—graphics, captions, hashtags—and schedules for maximum reach.

Phase 4: Engage & Grow

Active community management, responding to comments and messages, while implementing growth strategies.

Phase 5: Analyze & Optimize

Monthly reporting on key metrics with recommendations for continuous improvement.
